Term 3 Week 8

From the Head's Desk

05 September 2024

I would like to thank the members of the PTA for the amazing work that they did in organizing the Women's Health and Wellness day last week. They worked tirelessly, with enthusiasm and unrelenting energy and positivity to host an exceptional event that was so appreciated by the school and by the ladies in our community. THANK YOU!! You did so much to raise the spirits in the community and in so doing, to fly the Riverview flag high.

Some fun family activities:

The first pupil in each category to provide Mrs Rutherford with the correct answer, in person, on paper and in her office on Friday morning, will receive a small prize from me at assembly on Monday.

### GRADE 4 AND 5

Divide 30 by  $\frac{1}{2}$  and add 10.  
What's the answer?

A clerk at the butcher shop is six feet tall and wears size 10 shoes.  
What does he weigh?

### GRADE 6 AND 7

How many apples can you put in an empty basket?

A girl is sitting in a house at night that has no lights on at all. There is no lamp, no candle, nothing. Yet she is reading. How?

What number do you get when you multiply all of the numbers on a telephone keypad?

Have a great weekend!

*Brendan Bailey*

## Eisteddfod

Congratulations to all fifty two diligent and zealous Riverview children who entered the Nelspruit Eisteddfod this year. The art, design and photography themes for this year were "Celebration". Other categories included Afrikaans voordrag & drama, dances (group, duet and solo), English speech & drama, instrumentals, music vocals and choirs. All three Junior Prep grades achieved prestige awards for their Undramatized Choral Verses. Willow Harris entered the most categories (5) and Hugo Vieira achieved the most Prestige awards (3) out of all the Riverview children. The gala evening will be held on the 13<sup>th</sup> September 2024.

Riverview Children's Awards were as follows: Bronze: 8 ; Silver: 25 ; Gold: 45 ; Prestige: 19

Thank you to all the parents and teachers who assisted the children with their time and enthusiasm. Eisteddfod is a lovely opportunity for children to grow in confidence and perseverance.

## Riverview Prep Sports Update

Over the past two weeks, our cricket teams have celebrated impressive victories against Summerhill and Skukuza, showcasing the skill and determination of our players.

While our U13 boys' hockey team unfortunately fell short in the playoffs, they can be proud of an outstanding season filled with growth and hard work. Our junior hockey teams continue to show remarkable improvement, a testament to the dedication and expertise of our coaches.

The Interhouse hockey competition was an exciting event, with the Hornbills dominating the field and taking top honours.

As we close the curtain on a successful hockey and cricket season, we want to extend a heartfelt thank you to all our coaches for their unwavering commitment and effort.

Looking ahead, we are excited to kick off our cross country, athletics, and swimming programs next week. We cannot wait to see our students excel in these upcoming events! All children to bring their swimming costumes next week.

## Pre-Primary News

This week Cubs learnt all about the magic of germination. The life of a plant starts from a seed. A seed has three major parts a seed coat, which is the outer layer that protects the plant while it grows. Inside the seed is the baby plant called an embryo and the rest of it is cotyledons(food storage) that contains food for the baby plant. Seeds need water, sunlight and soil. When you plant the seed inside the ground this is where the magical process of germination starts.

The Grade 000s worked in teams to categorize wild, farm & ocean animals.

Spring is in the air in the Grade 00 Classroom! The children enjoyed creating some decorations for the classroom.

"If winter has the courage to turn into spring who says we can't bloom just the same?" -s.r.w

Sharing weekend news through drawings is a favourite activity in Grade 0. This is the beginning stages of writing.
