Term 3 Week 4

From the Head's Desk

08 August 2024

## UPCOMING ROADS CLOSURES AND ROAD WORKS.

### N4 /New Access Road

The new access road leading off the N4 to Riverview Preparatory School will be closed from Monday 12 August 2024 until Monday 02 September 2024.

The alternative route to be used to school has been posted on class groups and the following link <https://www.youtube.com/watch?v=ZWlp1LxSa6w> can be used to view the new route.

A hard copy of the new route has also been handed out to parents and taxi drivers at the school gate.

### School Entrance Road

The existing entrance road (gravel road) to the school will be closed in the near future to enable the contractor to begin resurfacing the road.

Tests have been undertaken to determine what materials are required and once these results have been analysed, construction is expected to begin by month end and to be completed before the end of September.

The contractor is responsible for controlling entry and exit to the school and will provide and signpost the temporary route once the Safety Officer has determined the safest solution.

I wish all the ladies in the Riverview community a special Women's Day tomorrow and thank you for the exceptionally important roles you play in raising the children who will lead our country in the future.

Enjoy the weekend.

*Brendan Bailey*

### Eco Kids

The Grade Ones and Twos visited Eco Kids at Marloth Park this week. They spent a very informative morning learning about our environment, animals, birds and trees. Part of the morning was dedicated to being aware of our environment and the importance of recycling plastics.

## Pre-Primary News

On the 2nd of August the Cubs hosted their Father's morning. The Cubs were absolutely thrilled to have their dads helping them to make a beautiful apron just for their daddy. Thank you to all the dads for spending precious time with your little ones, they really loved having you at the Cubs.

Little Grade 000 superheroes had a blast creating magical shields with their Dads. They all cherished the moments spent with their real-life heroes - their fathers.

The Grade 00 Father's evening was a peaceful and loving atmosphere. It was wonderful to see the Dads and their children work together and concentrate to create their masterpieces. "Spending time with your children is more important than spending money on them."

It was wonderful to spend an evening with our Grade 0 Dads. The children made the most of having dad's full attention as they crafted and decorated superhero shields to take home. Their quality time together was rounded off with a picnic for two.
