Term 4 Week 1

From the Interim-Head's Desk

10 October 2024

Good day from Riverview!

I am very pleased to be at the school as we look forward to a short but very busy term. I have been amazed at the development at Riverview since my stay at school during the second and third terms of 2023. The school can be rightfully proud of the new hall!

We have waited patiently for the completion of the newly paved access road, that is nearing completion. We thank you for your patience during this past week, where you had to use the fairly narrow side road to drop off and collect your children. I am hopeful that the completion of the new road is imminent!

I anticipate a productive and positive final term for 2024. I shall be available each Friday in the car park should you wish to meet me or to have a chat.

Pre-Primary News

On the 18th of September 2024 the cubs went on their termly outing to the Lurie's farm. They enjoyed singing "the wheels of the bus go round and round" in the school bus. Cubs absolutely loved picking up the little bunnies and being among the farm animals. Riding and letting the little pony called Jimmy Cricket giving them a kiss on their hands was a memorable moment for these little ones. A special thanks to Warren and Karen Lurie for hosting the Cubs they loved every moment.

Playing with playdough is always brings big smiles in the Grade 000 class. While they are squishing and rolling, they develop their fine motor muscles, improve language skills and express their creativity.
