Champions Inspired by Values

Term 1 Week 5

From the Interim-Head's Desk:

13 February 2025

Good afternoon Parents,

Much interest has been shown about our Grade 6 golfer, Shalom Lebakeng. Shalom was selected to play a round of golf with President Ramaphosa in Cape Town last weekend. This is quite an achievement for a Grade 6 pupil and we are pleased to mention the event in our Newsletter.

We are excited about our School Birthday tomorrow, the 14th of February. This will be the 28th occurrence of the opening of Riverview in 1997. This is quite an auspicious occurrence for Riverview, in addition to it being Valentine's Day!

A big appeal to parents, please; even in very hot weather, we have children arriving at school wearing jerseys, track-suits and the like. Whilst it might be quite nice and cool early in the morning at school, it definitely warms up later on. This means, to my mind, that the children should not continue to wear their warm clothing at school. Further, it would be much appreciated if the older children are supplied with anti-perspirant for regular use during the day. Thank you, in advance, for your support on this.

Please remember the PA Braai, which takes place at school this evening, from 5.00 pm.

Please try to make the time to visit our new Tuckshop, *The TuckBox Cafe*; it is well-worth the visit!

Enjoy a good weekend,

Derek Reynish

Golf with Mr. President

Shalom Lebakeng, Grade 6, was invited through NJDC to partner with Mr. President Cyril Ramaphosa for the Presidential Golf Challenge at the Atlantic Beach Golf Estate last week Friday.

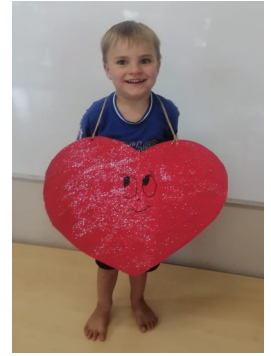

Not only did Shalom get the opportunity to play the first two holes with President Cyril Ramaphosa, but Shalom also played his best round ever with a score of 70 over 18 holes, out playing his four ball of which Ms. Patricia de Lille, Minister of Tourism was a part of. We are proud of you, Shalom!
