Champions Inspired by Values

Term 4 Week 8

From the Interim-Head's Desk

21 November 2024

Good day Parents,

By the time you read this, our first formal end-of-year assessments will have been written. Hopefully our pupils are hard at work, revising the work they have covered. We look forward to some pleasing marks! Best wishes to all our senior prep children.

May I remind parents of children in Grade 7 that the Leaver's Dinner is to be held on Friday the 29th of November. More details will follow.

As you are aware, we shall bid farewell to three stalwarts on our staff, as from the end of this term. Our Bursar, Mrs Damm, will be joining the finance department at Uplands College, after eight years of exemplary service to Riverview. Mrs Jearey has taught at Riverview for some years and she will accompany her husband to KwaZulu Natal on retirement. Mrs Granville is leaving Riverview after seven years at our Preschool. Our grateful thanks go to all three.

Have a good weekend, It might be marginally cooler this weekend!

Derek Reynish

Weeks ahead:

Thursday 21 November - Wednesday 27 November:

SP Formal assessments.

Friday 29 November:

Pre-Primary News

This week the Cubs learnt all about bread. Bread is a staple food that is created by baking a flour dough. Most bread is made from wheat flour. Yeast is very important as it makes all the bubbles in the bread which makes the bread rise during the baking process. Bread is considered one of the oldest man-made foods. Cubs were delighted when they saw the bread they had made.

The Grade 000's had a very merry morning decorating Christmas cookies.
