### Grade Four Orals

The Grade Fours are in the process of doing demonstration orals. The purpose of the orals is to practice using command verbs when explaining how to do something step by step. Well done on some lovely ideas and well-prepared orals. We look forward to listening to the rest of the orals still to be done.

## From the Sports Desk

The spirit of competition is alive and well at Riverview Prep as our teams continue to deliver outstanding performances! With exciting fixtures coming up and impressive results behind us, there's plenty to celebrate.

### **Upcoming Fixtures**

- **27 Aug:** Cricket U11 vs Summerhill @ Summerhill
- **29 Aug:** Cricket U13 vs Summerhill @ RPS
- **29 Aug:** Junior Hockey U7 - U9 @ Penryn Festival

### **Recent Highlights**

Our open hockey teams are on fire! The girls are holding strong in 3rd place, while the boys are sitting in a solid 2nd place in the league. Although our U13 Boys faced a tough playoff against White River Primary, coming up short, their determination and skills were admirable.

We also had a fantastic result against Komatipoort, with our U11 boys clinching a 1-0 victory—what a game! Our cricket teams are showing tremendous growth, with stellar results against Numbi, Sabie, and Skukuza. The boys' hard work and dedication are shining through, and it's exciting to see their progress.

Meanwhile, our junior hockey boys and girls are having an absolute blast at the festivals. Their enthusiasm is contagious, and they're making memories that will last a lifetime.

### Living Ball

Living Ball visited us last Thursday to give the pupils a Christian message using soccer balls and rugby balls as props. The children were captivated and able to recount all that was talked about. Using their hands they were able to recount reading the Bible, saying their daily prayers, going to church and spreading the gospel. They also donated rugby and soccer balls to the school.

As we look ahead to the upcoming matches, let's keep the momentum going. Remember to use our hashtag **#MakItHappen** to share your support and celebrate our amazing athletes.

Go Riverview! Let's continue to make it happen!

## Pre-Primary News

The Cubs have been learning all about wild animals. They have learnt that the zebra is known for its unique black and white striped pattern. Like human fingerprints, no two zebras have the same stripe pattern. Zebras are members of the horse family. Just like their horse relatives zebras are able to sleep standing up. As elegant and peaceful as they are, do not be fooled, zebras can be aggressive animals too!

After learning about interesting giraffes, the Grade 000's measured each other to see who was the tallest.

The Grade 00 class enjoyed learning about Reptiles this week and making their own snakes and lizards with playdough. The boys created their own creative construction using magnets. "A child's imagination is a gateway to endless possibilities and adventures." - Unknown.

Grade 0s having a great deal of fun at outdoor time.

Moms in Touch would like to invite you to join us to pray for our children and our wonderful school. Tuesday mornings under the school trees. God works through praying Mothers. Covering your children in prayer, will help give you peace for every aspect of their lives!

If you would like to join or if you have any prayer requests you can contact Liziwe on 082 480 3138.

*When we try, we fail. When we trust, He succeeds.*

*Corrie Ten Boom.*

The Lord is good. When trouble comes, He is a strong refuge. And He knows everyone who trusts in Him.
